						Sh.Vijay Pathania

**Instructions :** 1. The timings of morning and evening sessions will be 9:00 am to 11:00 noon and 2:00 pm to 4:00 pm respectively.

2. The house tests shall be conducted in online mode using Google Classroom and Google Meet. The students must join the Google Meet through their institute-provided ID 10 minutes before the start of each test.

3. The students have to sit in a disturbance-free place with proper lighting for writing tests and shall not be allowed to leave the place during the test.

4. The student must set up the smartphone camera/ web camera in a way to ensure clear visibility of his/her face and answer sheet.

5. The students must keep their microphones muted unless the examiner directs the student to unmute. The camera must be kept turned on in the Google Meet throughout the duration of the test.

6. The question paper shall be provided to the students on Google Classroom on the scheduled date and time as assignment.

7. The answers of the tests are to be written on the A3 size folded ruled sheets using ballpoint pen.

8. The student must clearly write the branch, semester, roll number, name, subject, date of test and sheet number on the top of each sheet.

9. The student has to scan the answer sheets sequentially using Google Drive, Adobe Scanner or similar software, create a single PDF file and upload it on Google Classroom within 20 minutes of finishing time of class tests.

10. The hard copy of the answer sheets must be kept securely by the student and must be submitted to the subject teacher when regular classes will commence in the institute.
